

Custom Make Mattress Size template

Special Size Mattress Requirement Form

To assist with your order for a special size mattress, you've prepared a few notes of points to consider when enquiring about a custom mattress:

What is the mattress required for? Boat / Caravan / Truck Cabin / Other

Do you have an existing template? Y / N

If the sides of the mattress alter e.g. due to the hull of your boat, please ensure you provide us with the actual mattress size being replaced.

Please ensure the mattress can fit through the access way of your boat or van.

Is your custom mattress able to be flipped & rotated freely in the area it is going in to? Y / N

Does your mattress have height restrictions? Y/N

If yes, you may not be able to have innerspring, ask our friendly staff for more details on the right mattress for your needs.

Does your mattress need to be able to bend? Y / N

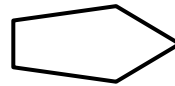

When putting the mattress into its position the mattress may need to bend through doorways or around cupboards. If this is the case an innerspring would be unsuitable.

Does your mattress require any special shaping on the corners? Y / N

If yes, please provide a template for these. Please be aware we cannot do sharp inside angles e.g.

However we can do angled corners e.g.

For more information and a quote please complete the enquiry form or visit your nearest store where our helpful staff will be able to assist with all your query.
